Community Connections

Guildford Coal has a strong commitment to supporting the communities in which we operate.

Recent partnerships in the Hughenden area include a silver sponsorship of the annual Porcupine Gorge Challenge held 18 June and the local Golf Club's Women's Sand Green Championships- a State wide event.

Over the weekend 1-3 July, sixty four ladies from as far afield as Roma, Murgon and Chinchilla came together to play. The field also included 10 local ladies.

Eileen Bell (Rowes Bay - Townsville) won the championship by 12 shots.

A formal dinner was held at Diggers Entertainment Centre, with more than 90 people enjoying a fun filled night, which was catered for by St Francis School.

The Guildford team congratulates the "always hard working" Hughenden Golf Club volunteers.

Winners are gridders Eileen Bell (Rowes Bay), Mackay's Shae Holmes, Anne Robinson (Mackay) and Jandowae's Iris Thompson
