### **RELEASE OF SECURITIES FROM ESCROW**

Guildford Coal Limited (ASX Code: GUF) refers to the announcement made yesterday regarding the release of 20,000,000 ordinary shares in the company from escrow.

The announcement contained 2 typographical errors. The date of the announcement and the date of that the securities were released from escrow both stated the year as 2012 instead of 2013. Guildford confirms that the securities were released from escrow on 21 June 2013 not 21 June 2012 as previously announced.

Guildford also notes that these shares were subject to a voluntary restriction period only and are already quoted on the ASX. As a result Guildford will not be required to apply for official quotation of these shares under Listing Rule 2.8.2.

A revised version of the announcement is attached.

Yours faithfully
