### Safety Awards

The Company is proud of the great efforts of all staff and employees involved in the excellent progress of the mining operations in Mongolia and in particular that this rapid commissioning has been achieved whilst maintaining a world class safety record. The Board is pleased to advise that in recognition of this safety performance the following Government Safety Awards have been announced:

- Mongolia Ministry of Labor has advised that Terra Energy will receive the “Mongolian Health and Safe Workplace Award for 2014”
- Otgonbat Baasan (Oggi) Terra Energy HSECS Department Superintendent, is to receive a State Award from Mongolia Ministry of Mining - "Excellent Miner”
- Otgonbat Baasan (Oggi), Terra Energy HSECS Department Superintendent also received a “Memorandum Certificate” from the Governor of the local Noyon Soum (Town)

**Otgonbat Baasan (Oggi), Terra Energy HSECS Department Superintendent**

Also further to the announcement made on the 5/1/2015 in relation to the change in Company Secretary, the Board would like to take the opportunity to thank Ms Aimee Hyde for her excellent work completed for the Company during her 3 month contract tenure and wish her all the best in dealing with the family matters which prevented the renewal of her contract.

For further information please contact Tony Mooney on +61 7 3005 1533.
